

CASA MEA NEWS *flash!*

August 2012

CASA MEA NEEDS YOUR HELP!

This summer we are struggling financially to finish the school by September 15th. During this struggle, we now need to buy new boilers. We do not have the resources to handle all these expenses simultaneously, so we must once again ask for your help. We hope that you can find it in your heart and pocketbook to lend us a hand. In the past we have been able to count on you and hope we can again.

Dear Friends of Casa Mea,

Prejmer, the community where Casa Mea is located, is getting a public sewer system. This is great news for our village! No longer will sewage be dumped in the drainage ditches on the side of the road. We have been waiting for this for some time now and are glad to see the work finally started.

Not all of it is good news though. The workers cut all the pipes and cables in the street. Casa Mea lost electricity and water, which caused our boilers to burn out.

We must now replace our two boilers, at over \$800 per boiler! We hope the electric and phone lines will be repaired at no cost to us, but if not, that will mean even more painful unexpected expenses.

Of course, renovations on our attic are now halted because we cannot work. It's a mess! Please help us stay on schedule for our September 15th school opening.

Thank you for all you do.
Jan

To send your financial gift to Casa Mea:

- ♥ By Check: payable to [Casa Mea](#) at 6705 Shadow Crest Drive, Plano, TX 75093
- ♥ By Credit Card: You may donate on-line by clicking on this PayPal button  or visit our website at www.casamea.org and click on "Make a Donation"
